Sponsorship

5th Bridge is very excited to bring back to Northfield (for the third year!) a compelling, enriching and meaningful community volunteer event. By hosting Feed My Starving Children's mobile food-packing unit, we're inviting local volunteers to make a significant contribution toward solving world hunger. In order to remove any financial barriers that might restrict volunteer participation, we're seeking sponsorship support.

Please consider a **leadership gift of \$1,000 to support this event**, which for many people, has been life changing. A gift at this level will help our volunteers pack 5,882 meals and 100% of your gift will be directed to Feed My Starving Children to pay for the cost of the raw materials.

It takes an engaged and caring community to achieve the tremendous impact we aspire to make and we sincerely appreciate any amount of financial support you're able to offer.

Partners

Thank you for your interest in sponsoring the mobile unit of Feed My Starving Children (FMSC) in Northfield as we commit to packing 250,000 meals for starving children across the globe. This incredible project requires **four** critical partners, and you are one of them.

- 5th Bridge as *host*.
- The wonderful people of Northfield who *volunteer & give*.
- *FMSC*, through whom we will package 250,000 meals.
- You! The *sponsors* without whom this event would not be possible.

If you have an interest in sponsoring this event at any level, please contact Justin Stets, 5th Bridge FMSC fundraising chair, at 507.645.8887 or e-mail fmsc@5thbridge.org.

Recognition

5th Bridge is committed to attracting as many volunteers as possible to this event. Your financial support will make the drive to pack 250,000 meals possible!

We are thankful for contributions and participation at all sponsorship levels.

Sponsors will be recognized in the following ways:

- On the 5th Bridge website (with a logo and link to your business website if applicable)
- In an ad in the Northfield News
- On signage throughout the three-day event

Finally, you will know that with your financial support you are directly helping to feed starving children in 60 countries around the world.
