Pledge Form

5th Bridge is hosting the mobile site of Feed My Starving Children in Northfield on November 13, 14 and 15, 2009. While each meal packaged costs only 17 cents, we are responsible for funding the meals in addition to recruiting the volunteers to pack the meals. Consequently, each volunteer is asked to raise a minimum of $37 to cover the cost of the food. No volunteer will be turned away, but any fundraising you can do to help cover the cost of the meals will be greatly appreciated. We strongly encourage you to collect the funds at the time of the pledge. Thank you for all your efforts on behalf of Feed My Starving Children. You are an amazing volunteer.
